About Us: The AAA Academy is a collaboration with **Younique Music** and **Lakota** and **Music From The Mothership**. We are dedicated to empowering the next generation of music artists, DJs, vocalists and music producers. We provide a platform for aspiring artists to learn, grow, and connect with industry professionals.

Why Join Us?

- **Avoid Saturation:** Shape the future of the industry, contribute to the quality and sustainability of the music world by nurturing new talent and being in touch with our next generation.
- **Pay It Forward:** Help aspiring artists in the way you wish you'd been supported when starting out. Connect with applicants who remind you of your own journey and inspire them to succeed.
- **Networking & Audience Growth:** Expand your professional network and collaborate with other industry professionals. Increase your visibility and grow your audience by meeting fans in person and through our platforms.

Key Responsibilities:

Workshop Facilitation: Co-facilitate one or more DJ workshops alongside our weekly team. Focus on key skills such as beat matching, mixing techniques, track selection, scratching, and using effects (whatever you feel comfortable teaching).

Industry Insights (Optional): Deliver a short 10-15 minute chat about your experience in the industry. Offer advice on securing gigs, maintaining professionalism, and building an online presence.

Content Creation: Send us 30-second promotional reel speaking to the camera or in a similar format that we can edit.. Provide a video of a live DJ performance for promotional purposes. Crosspost with us to promote your guest workshop(s).

Experience and Qualifications:

- Proven experience as a DJ with a strong portfolio of live performances.
- Passion for mentoring and sharing knowledge with aspiring artists.
- Good communication skills and a friendly, approachable demeanor.
- Up for working in a fun and creative space, sharing invaluable knowledge about an industry we care about.
